I give permission for my child to receive clinical preventive dental care services. I understand that this consent will stay in effect for two years. If dental sealants are placed, they will be re-checked and replaced the next visit if needed. It is the parent/guardians responsibility to inform the dental provider of any changes in their child's medical information. I understand that a copy of my child's dental history and findings will be given to our community partner and that all the information about my child will be kept confidential. If I have dental insurance, I authorize my insurance carrier to be billed for any services provided. Protecting All Smiles, LLC. will make every effort NOT to interfere with your regular dental appointments. I have been given a copy of the Protecting All Smiles, LLC. Notice of Privacy Practices. I have read and understand the dental program and I consent to have my child participate. I authorize the dental program to forward any referrals to my child's dentist of record when applicable. Protecting All Smiles, LLC. does not bill families directly for the preventive services we provide. I understand that these services are provided by Public Health Dental Hygienists and the screening is not a replacement for a dental exam by a dentist. A dental exam by a dentist is recommended yearly.
